

REMARKS

Claim 5 is amended to correct the claim dependency. Applicants also add new independent claim 14, similar to original claim 5, but in independent form. Applicants also add claims 15-22, which are dependent on claim 14, and which are parallel to claims 6-13. No new matter has been introduced and claims 1-22 are currently pending to be examined on their merits.

In view of the response filed on November 6, 2008, Applicants believe that the new claims are also patentable.

CONCLUSION

The Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by the credit card payment instructions in EFS-Web being incorrect or absent, resulting in a rejected or incorrect credit card transaction, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, the Applicants hereby petition for such extension under 37 C.F.R. § 1.136 and authorize payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,

Date December 2, 2008
